Great Return, Low Body Corporate, Very Healthy Sinking Fund.

Call for a private showing..

Whether you are an owner occupier or investor, this property opportunity is perfect for you. With a strong rental return, low body corporate fees, sinking fund of over \$800,000, primely located moments away from shops and transport makes this property a very attractive option on your short list.

Boasting one of the largest balconies in the complex unit 47 is in a class of its own featuring: polished wooden floors, breezy open plan living, air conditioning, separate laundry, stainless steel elegant bench tops and splash-backs, European appliances, spacious bedroom with built in robe and your very own unique front gate entry to your unit.

The Cannery apartments have a unique and innovative, architectural design and makes a statement of their own in the Teneriffe area. To complement the apartment there are a range of amenities such as; a lap and plunge pool, gymnasium, security intercom and security CCTV cameras, landscaped gardens and excellent onsite management.
