

## Stunning Architecturally Designed Townhouse.

Influenced by chic New York City design, this immaculate, highly luxurious residence has just hit the market for limited time.

This stunning townhouse is the epitome of sleek design, architectural brilliance, and is complete with high end fixtures and fittings throughout. You will be hard pressed to find a residence that offers more in West End.

Boasting a high end gourmet inspired open plan kitchen with beautiful stone bench tops, tiled flooring and Miele appliances with an integrated dishwasher, you will appreciate the meticulously planned elegant features combined with a high end luxurious feel.

An opulent living and dining area, with a feature timber staircase that seamlessly flows through on to a generously sized private balcony. This heart of the home is one to be proud of.

Two generously sized bedrooms both have triple built in wardrobes with plenty of room inside for the most discerning of fashionista's. Both bedrooms also have ensuite bathrooms which are again draped in luxury and are sure to satisfy anyone with high expectations.

**Price:** \$620 per week
