

Perfectly Positioned Mariners Reach Apartment!

This apartment is ideally located at the northern end of the Arcadia tower in Mariners reach. It enjoys the perfect north easterly aspect with views over Newstead Park and the Hamilton reach of the Brisbane River.

Upon entering this stunning apartment there is a certain ambience created by the movement of the trees through the windows and the activity on the river. Its most outstanding feature is being located on the northern end of the building thus creating absolute privacy and an abundance of winter sun. It is superbly appointed with exceptional finishes, reverse cycle air conditioning, security access and breathtaking river views.

Other features include three bedrooms, main with ensuite and balcony overlooking the park. There is a separate dining area as well as a separate living room or study. The lounge room opens out on to a balcony overlooking the river

Mariners Reach is a prestigious, private residential complex located at Newstead. It has been developed on one of the river's most picturesque vantage points. It is a landmark residential development only minutes from the heart of the Brisbane CBD and the airport.
