

Immaculate Unit with City Views!

Photos just do NOT do this space justice - so much more spacious than it looks.

Location? Can't beat it. Situated within the heart of Kangaroo Point, this sophisticated two bedroom apartment presents contemporary living alongside a luxury lifestyle. Tailored for young professionals to small families, this inner-city location will not disappoint.

The interior comes together over a sleek, open plan arrangement, feature tiling and a spacious indoor/outdoor design. Central to this is the delightfully modern kitchen, well-appointed with stone benchtops, integrated breakfast bar and overlooking city views.

Beautifully positioned, the nearby balcony showcases a sought-after landscape, ideal for alfresco dining or simply relaxing in the evening with a glass of wine. Two spacious bedrooms can also be found throughout, with the master enjoying a personal ensuite. Meanwhile a full-size family bathroom lies only steps away from bedroom two. Completing the internal floor plan is a dedicated study nook and laundry.
